

How to check an employer is on the sponsor register

Name I searched

Name on the job advert:

Legal name I searched:

Other names I tried:

What the row said

Town or city on the register:

Route (for example Skilled Worker):

Rating:

Date of the file I downloaded:

If I could not find them

I asked the employer for the sponsoring entity:

Their answer:

I will not pay them to be added to a certificate.
